After School – Across the Street is a non-profit organization providing educational tutoring, nutritional support and recreational opportunities for the middle school students in grades 6-8 who attend McKnight Middle School in Renton. The program is held at St. Matthews Lutheran Church, right across the street from the school, at 1700 Edmonds Ave. NE. The program currently runs on Tuesday and Thursday afternoons from 2:30pm until 4:00pm and on Friday mornings from 7:00am until 9:00am. After School – Across the Street operates from the beginning of September until the middle of June.

We are currently seeking an assistant program coordinator for the program who would work between 12 and 14 hours a week, with a pay rate of \$15.00 an hour. Hours are somewhat flexible and pay is negotiable.

This individual should enjoy working with youth between the ages of 12 and 15 and would hopefully be seeking experience in the area of education or recreation. Video game expertise and technology experience would be a plus.

Job duties may include planning and purchasing supplies, setting up for the program, tutoring, supervising students, and helping with clean-up at the conclusion of the program sessions.
