

After School – Across the Street

Tutoring Program@St. Matthews

St. Matthews Lutheran Church is located directly across the street from McKnight Middle School, at 1700 Edmonds Ave. NE, Renton, WA 98056

Students who wish to receive tutoring services must have a permission/commitment slip completed, signed by a parent/guardian and submitted before they can participate in the program.

Tuesday After School Tutoring 2:35-4:00pm

The After School tutoring program provides a quiet, safe place for students to receive academic support from adult supervisors and competent high school volunteers. Homework help is available, but students will also complete other activities which serve to strengthen their areas of academic weakness as well as provide instruction in study and test taking skills. Computer literacy focusing on educational components will also be an integral part of the instruction given to students.

This is a **non-religious, no cost** program offered by the non-profit, After School – Across the Street, in partnership with McKnight Middle School. Students will walk across the street to St. Matthews immediately after school on Tuesday. At 4:00 when students leave the building they may walk home, be picked up, or ride the McKnight activity bus.
